Closed Monday **206-296-4692 or [hazwastehelp.org](http://hazwastehelp.org)**

# Use Less Toxic Options

## READ THE LABEL BEFORE YOU BUY.

Use the least hazardous product that does the job. Avoid products labeled **DANGER, POISON, CAUTION, or WARNING.**

<b>Highest hazard</b>	<b>DANGER, POISON</b>	
<b>Less hazardous</b>	<b>CAUTION, WARNING</b>	
<b>Safer</b>	You don't see: <b>DANGER, POISON, CAUTION or WARNING</b>	

## NEVER MIX HOUSEHOLD CLEANERS.

Do not mix bleach with other cleaners or soaps, especially ammonia products. These mixtures create hazardous gases.

## USE SAFER ALTERNATIVES.

Clean efficiently using common, less-hazardous, and inexpensive products. Visit [bellevuewa.gov/GreenCleaning](http://bellevuewa.gov/GreenCleaning) to register for a free, hands-on Green Cleaning Workshop presented by Bellevue Utilities.

## CHOOSE A PRODUCT WITH LITTLE OR NO SCENT AND AVOID AEROSOLS.

Perfume chemicals may be irritants for children and people with respiratory ailments or sensitive skin. Aerosol overspray may contain propellants or solvents. Pump sprayers or wipe-on liquids typically use less product.

**AVOID AIR FRESHENERS AND FABRIC SOFTENERS.** These products add particles and perfume chemicals to indoor and outdoor air, which may trigger asthma and skin ailments.

## TRUE OR FALSE?

Indoor air is cleaner than the air outdoors.

**False.** We spend almost all of our time indoors where air is almost 100 times more polluted from gases and particles than outside. Open windows occasionally to air out your home with a fresh breeze.

(Source: U.S. Environmental Protection Agency)

# Hazardous Waste

CAUTION | WARNING  
DANGER | POISON

Hazardous products should not go in household garbage. Safely dispose these materials for no cost at the Factoria Household Hazardous Waste Drop-Off site, or local disposal locations listed.

## FACTORIA HOUSEHOLD HAZARDOUS WASTE DROP-OFF SITE

13800 SE 32nd Street, Bellevue, WA 98005  
Tuesday – Friday: 8 am – 4 pm  
Saturday & Sunday: 9 am – 5 pm. Closed Monday  
[hazwastehelp.org](http://hazwastehelp.org)    [haz.waste@kingcounty.gov](mailto:haz.waste@kingcounty.gov)  
206-296-4692    No appointment needed

## OIL-BASED PAINT + SOLVENTS

Latex Paint is NOT HAZARDOUS. Recycle latex paint at participating Green Sheen locations ([greensheepaint.com](http://greensheepaint.com)) or dry out and dispose in the garbage by:

1. Mixing in equal parts kitty litter until the paint is the consistency of oatmeal.
2. Letting the paint sit at least an hour to dry before throwing out.

## HOUSEHOLD CLEANERS

## LAWN + GARDEN

## AUTOMOTIVE PRODUCTS

### Recycle Used Motor Oil

Place in transparent 1-gallon jugs with screw on lids. Take to one of the motor oil recycling locations listed on the other side of this mailer.

## FUEL

## FLUORESCENT TUBES & BULBS, CFL, & HID LIGHTS

Call Republic Services to schedule a pickup or take to Republic Services Recycling Drop-Off Center or the Factoria Household Hazardous Waste Drop-Off Site. See mailer back for details. More drop-off sites at [lightrecycle.org](http://lightrecycle.org).

## BATTERIES

Call Republic Services to schedule curbside pickup. Place rechargeable and non-rechargeable batteries in separate, clear, sealed bags.

Or, drop off at Republic Services Recycling Drop-Off Center (place rechargeable and non-rechargeable batteries in separate, clear, sealed bags) or at the Factoria Household Hazardous Waste Drop-Off Site.

### Is it hazardous?

If the label says **DANGER, POISON, WARNING** or **CAUTION**, it is hazardous.

See all accepted materials for drop-off at [hazwastehelp.org](http://hazwastehelp.org).
